

Moving Guide

Closing Reminders

Sellers

1. Once you've been contacted by your realtor and escrow officer that you are recorded and disbursed, remember to call your insurance agent and cancel your homeowner's insurance
2. If you have a lender that has been paying your taxes and insurance, look for a check in the mail for unused funds in your lender's escrow account
3. Your escrow officer will notify the city and/or your homeowner's association (if you have one) that you are no longer the owner and will provide them the new owner's contact information

Buyers

1. If this is your primary residence, be sure to apply for your Homeowner's Exemption with the County Assessor's office by April 15th to receive a discounted property tax rate.
2. If you have a tax professional, make sure they get a copy of your settlement statement at tax time.
3. If your mailing address changes, make sure to notify the County Assessor to make sure you get your property tax notices on time.
